Highlights

Acoustically tuned

Pure balanced sound is achieved by expert acoustic tuning for the speaker elements. In particular, the high tones and deep bass are reproduced with greater precision.

Customizable PC headset

Customizable earshells on this PC headset allows you to differentiate yourself with shells that match your personal style.

Highly sensitive microphone

For clear and uninterrupted online conversations, this PC headset is the perfect solution as it comes with a highly sensitive microphone that picks up your voices.

In-line mute & volume control

Mute your voice or adjust the volume without having to go to the audio source device.

Neckband design

An ideal solution for the hairstyle-conscious, this neckband headset is perfect for hours of chatting and music on your PC.
